INTERESTING FACTS ABOUT

PERFUMERY.

We import from Lubin, Rimmel, and Coudray, the choicest perfumes in bulk, and sell them at so much an ounce, thus saving the expense of fancy labels and bottles, which are costly, and always finally paid for by consumers. Unlike the ordinary way in which perfumery is sold, we exhibit samples to customers, so that they who are unacquainted with the names may choose between the different kinds, and know exactly what they are buying. This privilege will be appreciated by all fond of grateful odors. Call and examine, or send for List of Perfumes and Prices. An ounce of perfume is the quantity contained in one of Lubin's $1.00 bottles. An ounce of any perfume sent, postpaid, on receipt of 75 cents.
